September 2026 Monthly Report

For the month, members were called in (3) times for a trees being down blocking the roadway.

We completed repaving crossovers on Big Pond Road, Franke Road, Prospect Hill Road, and Lime Kiln Road. Tentatively, those roads are some of the roads I plan to chip and fog seal next year.

Horseshoe Bend Road was skim coated with asphalt (approx.) 100 ton.

We began shim coat on Greenville Tpke. The remainder will be completed this month.

The old barn was cleaned out in preparation for asbestos removal.

We assisted the town clerk with setup and tear down of the 911 ceremony.

Salt deliveries have been steady. We are just shy of full capacity. We will start hauling sand later this month.

Parks are still be mowed on a weekly basis.

Roadway mowers were send out one more time where the mostly concentrated on intersections are habitual problematic areas.

Lastly, I attended the Fall NYSAOT Fall conference for Highway Superintendents.
