Please use caution as the area covering the pipe may have loose stone.  
Appropriate signs have been placed prior to the area in both directions.

As everyone is aware, these last few days have been some of the hottest days of the year. Our highway employees worked tirelessly through the heat and humidity to finish this project a day earlier than expected. I'd like to take this opportunity to thank each and every one of them for a job well done. Their dedication and desire these last few days has not gone unnoticed. If you see one of our employee's, please take the time to thank them for a job well done.

Highway Superintendent
