District Attorney David Hoovler Announces the Fourth Orange County District Attorney's Office Youth Fishing Derby

"Get Hooked on Fishing, Not Drugs"

Orange County District Attorney David M. Hoovler on Wednesday, March 20, 2024, announced the launch of the fourth District Attorney's Office Youth Fishing Derby. The Derby will run from April 1, 2024 through September 2, 2024 and is open to children between the ages of four and eighteen who are children or grandchildren of Orange County residents.

Fishing teaches many life lessons, such as patience and how to deal with success and failure. Several U.S. presidents were accomplished fishermen and used fishing to relax from the stress and responsibilities of their office. Participants will also learn to enjoy and respect nature and, by spending more time with family and friends, will alleviate some of the boredom and anxiety caused by stress in life. It is that boredom and anxiety that has led so many of our young people to turn to drug use or gang activity. Sports and other worthwhile activities can help deter young people from those bad choices. The Derby will encourage our young people to go fishing and enjoy the outdoors and hopefully avoid drug use.

The Fishing Derby is part of District Attorney Hoovler's community outreach program. Remember, any fish entered in the Derby, big or small, has an equal chance to win a prize.

CONTEST RULES: Entry into the Youth Fishing Derby is free. All fish entered in the contest must be legally caught from anywhere in New York State. Each angler can enter up to three fish during the contest, to have multiple chances to win. Ten winners will be drawn at random from all entries received during the contest dates. Each angler is limited to one prize package. All photos entered in the Youth Fishing Derby becomes the property of the Derby.
