Closing:

Closing thoughts:

Councilman Trovei: Happy winter seems to be over and spring is coming. We'll be getting in the water soon, looking forward to it!

Councilman Schock: Looking forward to having regular meetings. I'd like to thank the committee and Supervisor for all the work they did on the EO203, that's tough. But thank you for getting that done and getting it through. Great to see the ball field is going to be used again. Neat, thank you.

Councilman Dean: Spring has sprung. It's been a long winter. Looking forward to being outside.

Councilman Smith: Thank you for your thoughts [on my health]. A lot of time was put into that report, everybody did a good job, so thank you.

Supervisor Spears: I would like to thank our Attorney Glen Plotsky for all his time he put into the committee meetings. He did threaten to kill me for the one meeting I missed. I survived it though and hopefully we will be back soon in person! I would like to thank all the members of the committee. They put in a lot of time and effort. I think we have a good plan going forward, overall, the police force is good and this is just going to make them better.
