June 2026 Monthly Report

For the month, members were called in 4 times for trees down.

Shoulders were installed at the Painted Apron Terrace Development.

A project on Old Cahoonize Road was completed based on a resident complaint. The project involved redirecting water from a crossover pipe to another crossover pipe to avoid silt build up in the resident's pond.

A significant washout was repaired on Port Orange Road.

Georgian Terrance and Griffin Road were both paved.

Guyward Tpke was re-stripped.

Parks are being mowed trimmed bi-weekly

I met with John Fuller and the plans were finalized for the drainage around the new building at HSP. If weather permits, we hope to get to the project in early-mid fall. In involves 6 catch basins and approximately 820' of pipe.

The Shin Hollow Road box culvert should be delivered on July 30th. Once it arrives, we will direct our resources there and begin that project.
